# School and facilities

*A friendly school in a vibrant coastal location*

## Why Regent Brighton?

### Experience a culturally rich and diverse city

Brighton is an exciting city by the sea with more hours of sunshine than almost anywhere else in the UK. It is close to beautiful countryside and only 50 minutes from London. There are two universities and the city is famous for its social life and entertainment. There is always lots to do in Brighton, making it a very attractive place to study.

## Modern school facilities

The school occupies an elegant building in a leafy residential area within easy reach of the city centre and the seafront. There is free wireless internet access. Our student lounge, where you can relax and talk with your new friends, is open throughout the day.

## A warm and welcoming atmosphere

Established in 1978, we have a long history of helping students achieve their goals in a supportive environment and pride ourselves on our friendly and welcoming community. Your teachers help organise your after-school activities programme, so you get to know them socially.

*This school is well organised, the teachers are very friendly and all the people here are amazing. I think this is the best school in England where you can improve your English. I would like to recommend this school because here I lived the best experience of my life and I think that other students can do the same.*
