Over 35 Years of Excellence

BEET is an independent family-run school, whose aim is to achieve the highest standards in an atmosphere of warmth and friendliness

We are a student-centred school motivated by quality; we pride ourselves on the level of care and attention our students receive.

The school is medium-sized and has an average of 180 students from between 20 and 40 different countries; our size enables us to provide a properly structured learning programme with the individual attention students need. Originally a charming 19th century church school building, BEET now also benefits from the latest technology.

A full range of teacher training courses is also available at our teacher training centre, ITTC

Learning English at BEET

YOUR FIRST DAY

You will be welcomed to the school by Clive, the Managing Director. We will give you a test to find your English level, and then you can choose the 'Options' lessons you would like to study. Next, you do a speaking activity with other new students, which helps you make friends immediately. After that, it's time for the coach tour (preferred start dates* only). In the afternoon, there is a 'Welcome to BEET' meeting where you receive your timetable, find out important information about the school and get some tips about living in England. We help you to log on to BEET Online and to download the BEET app, so you can start your Study Plan and use the Student Guide.

(Note: you can also log on to BEET Online before you arrive, so you know about the school and about Bournemouth before you start your course).

*There are around 20 preferred start dates throughout the year. See Course Dates and Fees for more details.

HOMEWORK AND SELF-STUDY

Homework forms an important part of your course. The amount depends on the type of course you are following, but you should expect to do 1 to 2 hours a day. We also believe that self-study is very helpful - with our library and two computer rooms, there are many opportunities to use your own time to focus on those areas you want to make even quicker progress in.

YOUR PROGRESS

YOUR LAST DAY

On your last day, you will receive a Certificate of Studies, provided your attendance and performance are satisfactory. This certificate makes an assessment of your level and comments on your progress during your course. Students on an International Academic Year course receive a Diploma.

From your first day to your last day, we try to make sure that your stay with us is both educational and enjoyable. We believe BEET is an excellent environment for learning English, and we look forward to welcoming you.
