Accommodation

Student Residence

Our on-site residence at Kings Brighton spans the top two floors of the college. The residence features single, en suite bedrooms with communal student lounges that offer great views over the Level Park. A secure entrance that is separate to the main college reception enables students to access their accommodation outside of school hours

Homestay

Homestay is a great way to experience multi-cultural Britain and feel part of UK home life. We have a range of homestay hosts in Brighton (retired people, professional couples, single parents and families) who would all like to welcome you into their home. As a new member of the home you will take part in the normal routine of life. You will probably meet other members of the household, as well as friends and neighbours. This will be a good chance to practise your English.

Every homestay is carefully inspected by our accommodation team and checked on a regular basis to ensure they exceed the minimum requirements of our students.
