To Whom It May Concern:

I am pleased to recommend Educational Center «Intensive» as a service provider in the area of personnel training and education. The above mentioned company has been arranging language training activities for Eni Energhia Ilc since 2008.

Eni Energhia Ilc was constantly satisfied with the quality of service provided, and we would like to emphasize that the teachers assigned to give the training for our staff have always been highly professional.

Apart from that Educational Center «Intensive» has a friendly, customer oriented personnel at its command, and is able to tackle difficult issues in a quick and efficient way.

I wholeheartedly recommend Educational Center «Intensive» to be your company long-term service provider supply high quality educational service.

Yours Faithfully

HR Coordinator

Irina Strelkova.
